

# LGA tested *Quality*

Certificate No. 102793

LGA Bautechnik GmbH, Tillystraße 2, 90431 Nürnberg, Germany  
- Certification Body for construction products -

grants in accordance with the conditions described overleaf and laid down in the contract of inspection and certification and after initial type test of the construction products as well as initial inspection of the factory the company

**Sikla Holding GmbH**  
**Kornstraße 4**  
**4614 Marchtrenk**  
**Austria**

for the overleaf specified construction products

## Supports for Pipework

this certificate and the permission to use the

LGA tested *Quality* mark

LGA tested *Quality* Certificate is valid until: 2021-12-31

Nuremberg, 2021-01-21

A handwritten signature in blue ink, appearing to read 'Günther Jost'.

Dipl.-Ing. (FH) Günther Jost  
Head of Certification Body

Owner of certificate: **Sikla Holding GmbH**  
**Kornstraße 4**  
**4614 Marchtrenk • Österreich**

Factory: **Factory 1 and Factory 2**

Construction products

**Supports for pipework**

**Pipe Shoe (Sliding Supports) LA, LC, LD • Fixed Point Supports XA, XC, XD**  
**Guided Supports FA, FC, FD • Sizes HV 90, HV 150, HV 200**

Modular construction of pipe supports as fixed point, guide and non-locating supports for the mounting of pipes DN 25 to DN 600 on steel beams

Properties

Load capacity according to manufacturer's specifications for support type and size  
Proof of stability according to DIN EN 1993 (Eurocode 3)  
Materials Material groups 1.1, 1.2, 72, 73 and 76 acc. CEN ISO/TR 15608  
Construction as fixed point support, guided support, non-locating support;  
Screw / clamp connections  
Adjustability Height adjustment range according to manufacturer's specifications

Detailed technical documentation and installation instructions available

Results of the Initial Type Test: Test report No. 69617494/01 and /02

Results of the Initial Inspection: Inspection report No. 69617494/03

Tested according to the technical specifications:

**EN 1993:2010 • DIN 18200 • EN ISO 3834-2 • EN ISO 1461**

**LGA Bautechnik GmbH confirms that**
